

COOPERATIVE EDUCATION

THE WORLD OF WORK

LOOKING FOR SOME PRACTICAL WORK EXPERIENCE WHILE STILL GETTING HIGH SCHOOL CREDITS?

Cooperative education combines classroom structure and real world exposure to give students an exciting and often eye opening view of what it is like “in the real world.”

Some coop placements our students have had in the past:

- YMCA
- Various elementary schools
- Blue Mountain Resort
- Mike Jackson GM
- Heavenly Sweets Café
- various carpentry, electrical and plumbing placements
- Rogers Television

Need work experience? This is where you get it!

Half day and full day credits are available.

Students interested in apprenticeship can sign up for the **Ontario Youth Apprenticeship Program**. See Guidance for more details!
